

Guidelines and required documents

The Unit of Excellence María de Maeztu DAUCO (2020-23) offers four 1-year post-doctoral contracts, extendable for another after a positive evaluation of the activity, for doctors of all nationalities who have obtained the title after January 1, 2014. Candidates must apply for one of the four lines offered for this call (available on the website of DAUCO: <http://www.uco.es/organiza/departamentos/agronomia/en/work-with-us>). The selected candidates will be incorporated on January 1, 2022.

Having obtained positive evaluations in the Juan de la Cierva Incorporación, Ramón y Cajal or similar postdoc programs will be valued.

The candidate must attach to the application the documentation indicated below, which can be found on the DAUCO website:

- Annex I. Self-assessment document
- Annex II. Free summary of the curriculum and suitability for the position offered
- Thesis qualification certificate
- Standard Curriculum Vitae or similar
- Evaluation certificate in Juan de la Cierva Incorporación, Ramón y Cajal or similar programs.

The committee may request to expand the information provided or to conduct a personal interview with the candidates.

Application deadline: November 4, 2021
